* Date  February 14/14  Length of Presentation  30  minutes  
* Strategy presented  Grade 6 - Narrative  

* Feedback on Presentation  
You have a very nice and easy style. Each time you teach, begin to get a very good sense of what it feels like to do a lesson that is successful. A very good recap of what happened. It is always wonderful when someone says they will use your lesson.
