| 1. Cooperative teaching  
  • Teach with a partner harmoniously | 1. Have roles in lesson clearly laid out  
  2. Take turns.  
  3. When other is direct teaching, work on other parts of the lesson in an effective way. |

Instructions to observer (be specific):
Watch how we work together. Do I do my part to make the lesson go smoothly?

What am I doing that helps the lesson as a cooperating teacher?

What can I do to improve?

Comments:
- Did you check for any questions?
- Easy bit felt a bit unexplained.
